## *Welcome From The Huckfeldts—*

We are proud that this sale contains only cattle that were bred, born and raised here at the ranch. They are Shorthorns that have been tried and proven in our herd. They have done well for us and will do the same for others.

Through our many years in the Shorthorn business, we have always tried to produce cattle that have size, scale and growth factor. This was the kind we had to have in this rugged area where nature allows only the strongest to survive. In this, we feel we have been successful because our cattle have produced, developed and never let us down.

Our cattle have never been highly fitted but are in good breeding condition to go on to keep growing and give good breeding service for many years.

The Huckfeldt family extends a sincere welcome to everyone to attend this joint production sale.

Cordially,

Joe Huckfeldt

## *Dear Friends—*

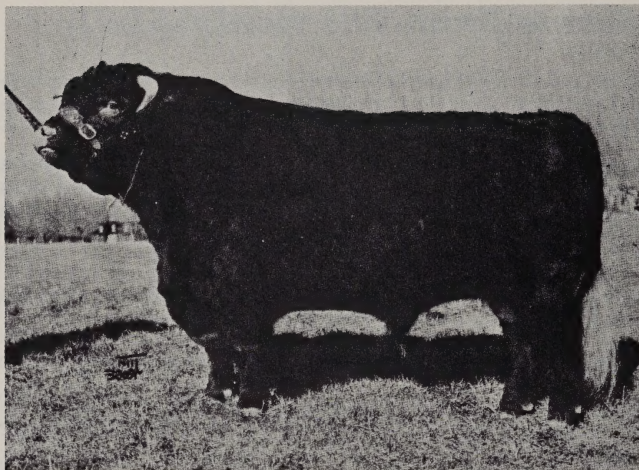

It is with great pleasure that I have the opportunity to sell jointly with Joe Huckfeldt, a long time friend and breeder of fine Shorthorn cattle.

I have devoted myself to breeding good sound cattle with the ability to work for their new owners.

I'm very proud of this offering and look forward to seeing you at the Gordon Auction Market, February 12.

Sincerely,

Earl Burress

SCOTSDALE CAESAR—By Scotsdale Tehran, is out of a Calrossie Prefect Rosebud cow that is also the dam of Scotsdale Uvira Rosebud, winner of the cow class at the Royal Winter Fair three years in succession. Caesar won his class at the Royal as a junior yearling and has matured into a bull of tremendous size and still retains character and quality. He has seen service at Scotsdale before Earl purchased him for \$3,000 at the Brandon International. At one year of age he weighed 1,045 lbs. and now weighs well over a ton in range condition. Truly one of the largest Shorthorn bulls in the area.

SCOTSDALE ARISTOCRAT—This senior herd sire will weigh over 2,000 pounds and has good size, length and elevation. The superior record of his get make him one of the great stock bulls in the country today. He is carefully line bred to the Perth champion Calrossie Prefect whose blood has stood for size and quality for 20 years. Aristocrat is by Scotsdale Navarre, the Supreme Champion of the 1961 Royal Winter Fair who matured at 2300 pounds. Navarre is by Scotsdale Jupiter, the 1956 International Supreme Champion who also weighed over a ton. Aristocrat's dam is also by Jupiter. Thus, both grandsires and both grand dams are by the Perth Champion, Calrossie Prefect. The great Calrossie Welcome appears five times and O. A. C. Mayflower's Ransom three times in the fourth generation of his pedigree. With a background such as this his ability as a sire is no accident. He has sired many champions and sale tops including the champion and record sale top bull of \$2050 at the 1970 Black Hills Stock Show and the champion female. This sale is a real opportunity to obtain his top sons and daughters. He is the sire of 8 bulls, twelve females and service sire of 17 females in this sale.

# STANDARD GUARANTEE

## Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date or sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. All animals cataloged have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- F. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- G. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.
- H. As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period.
